

Refreshing Competence

Events 2012

Events 2012

Dear valued customer,

Congratulations on your investment in Heidelberg Engineering's innovative technologies. We are committed to support you in realizing the full potential of our products.

It is our pleasure to offer high-quality educational seminars that provide the comprehensive knowledge necessary to fully utilize your Heidelberg Engineering instrument in your clinical practice. Increased training activities all over the world demonstrate our commitment to patient care. **With the establishment of Heidelberg Engineering Ltd.** we are happy to introduce a comprehensive educational program for our customers in the United Kingdom.

We kindly invite you to join us at our **10th International SPECTRALIS Symposium (ISS), October 19-20, 2012**. The symposium returns after ten years to its original venue **Portofino/Italy**, where it started in 2002.

We look forward to welcome you at our events in 2012 and value this opportunity to share the full capabilities of your Heidelberg Engineering instrument.

Best regards,

Yours Heidelberg Engineering

Academy-Team

9th ISS in Edinburgh, Oct 7-8, 2011

Table of contents

 10 th International SPECTRALIS Symposium (ISS)	6
National User Meetings	7
SPECTRALIS Courses - United Kingdom	8
HRT Courses - United Kingdom	9
Online Courses	10
International Conferences & Exhibitions 2012	11
USA Conferences & Exhibitions 2012	12
International Contact Form	13

	Location
■ January	
Jan 21 Italian User Meeting (SPECTRALIS, HRT and HEP)	Verona, Italy
Jan 28 IV. Austrian SPECTRALIS User Meeting	Vienna, Austria
■ April	
Apr 21 SPECTRALIS operation course SPECTRALIS interpretation course please see german events on pages 8-9	Linz, Austria
Apr 21 Spanish SPECTRALIS Workshop (during the Valencia Local Congress)	Valencia, Spain
■ March	
Mar 2 Spanish SPECTRALIS Symposium (during the National Retina Congress)	Valencia, Spain
Mar 21 South African User Meeting (SPECTRALIS and HRT)	Johannesburg, South Africa
■ May	
May 23-26 Spanish SPECTRALIS Workshop (during the National Refractive Congress)	Sevilla, Spain
May 24 SPECTRALIS operation course please see german events on page 9	Olten, Switzerland
■ June	
Jun 7 HRT operation course HRT interpretation course	TBC, United Kingdom
Jun 8 SPECTRALIS operation course SPECTRALIS interpretation course	TBC, United Kingdom
■ September	
Sep 26 Spanish SPECTRALIS Symposium (at first day of the National Congress)	Barcelona, Spain
■ October	
Oct 6 SPECTRALIS operation course SPECTRALIS interpretation course please see german events on pages 8-9	Vienna, Austria
Oct 19-20 10 th International SPECTRALIS Symposium (ISS)	Portofino, Italy
■ November	
Nov 29 SPECTRALIS operation course please see german events on page 9	Olten, Switzerland
■ December	
Dec 7 10 th Russian Glaucoma Society	Moscow, Russia
Dec 13 HRT operation course HRT interpretation course	TBC, United Kingdom
Dec 14 SPECTRALIS operation course SPECTRALIS interpretation course	TBC, United Kingdom
TBC Finnish SPECTRALIS User Meeting	TBC, Finland

For further details like registration and fees please contact your local distributor (see contact form on page 13.)

*Status as at date of publication, subject to change

After Portofino (Italy), San Diego (USA), Beijing (China), Bonn (Germany), Kyoto (Japan), Nice (France), Miami (USA), Shanghai (China) and Edinburgh (Scotland) the symposium celebrates its 10th anniversary and returns **October 19-20, 2012** to its original venue the **Hotel Portofino Kulm, Italy**.

Over the years, Heidelberg Engineering Academy events have become known for their atmosphere of vibrant scientific exchange. Share your SPECTRALIS experience with your colleagues.

The scientific program includes a broad spectrum of presentations and workshops from experienced users, **including the complete faculty of the first symposium 2002**. Participants interested in the latest developments in ophthalmic imaging will be able to take home new ideas and concepts for clinical practice. **Free papers are welcome.**

A special dinner event with colleagues from all over the world will conclude the symposium.

Faculty (includes all members of 2002*)

Prof. Giovanni Staurenghi*, Italy (Course Director)

Dr. Ferdinando Bottoni*, Italy

Prof. Balwantry Chauhan, Canada

Dr. Bert Glaser*, USA

Prof. Frank Holz*, Germany

Prof. Daniel Pauleikhoff*, Germany

Dr. Francesco Viola, Italy

Prof. Sebastian Wolf*, Switzerland

and more

Intended audience

Clinicians and photographers

Date/Location

Oct 19-20, 2012, Hotel Portofino Kulm, Portofino/Italy

Symposium Schedule

Oct 19: 10.00 a.m.-5.30 p.m., Welcome Reception 6.00 p.m.

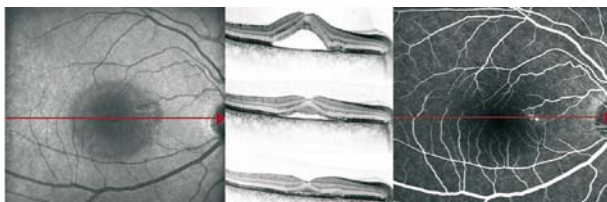

Oct 20: 9.00 a.m.-5.00 p.m., Dinner Event 6.30 p.m.

Registration and Fee

265,00 EUR (incl. tax), including materials & refreshments.

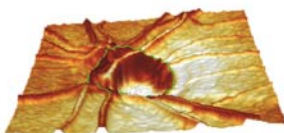

Further details of registration, location and topic list will follow with our official invitation flyer. See also:

www.HeidelbergEngineering.com/international/iss

We cordially invite customers and interested parties to learn about Heidelberg Engineering products at the following User Meetings and Symposia. For further details like registration and fees please contact our local distributor.

- **Italian User Meeting (SPECTRALIS, HRT and HEP),**
Jan 21, 2012, Verona, Italy
(during the Congress „il polo posteriore nel miope“)
- **IV. Austrian SPECTRALIS User Meeting,**
Jan 28, 2012, Vienna, Austria
- **Spanish SPECTRALIS Symposium**
Mar 2, 2012, Valencia, Spain
(during the National Retina Congress)
- **South African SPECTRALIS User Meeting**
Mar 21, 2012, South Africa
- **Spanish SPECTRALIS Workshop**
Apr 21, 2012, Valencia, Spain
(during the Valencia Local Congress)
- **Spanish SPECTRALIS Workshop**
May 23-26, 2012, Sevilla, Spain
(during the National Refractive Congress)
- **Spanish SPECTRALIS Symposium**
Sep 26, 2012, Barcelona, Spain
(at the first day of the National Congress)
- **Russian HRT Club**
Dec 7, 2012, Moscow, Russia
- **Finnish SPECTRALIS User Meeting**
TBC, 2012, Finland

Registration/Fees

Please contact your local distributor.
(see contact form on page 13)

The SPECTRALIS operation course is recommended to operators. The SPECTRALIS interpretation course is for clinicians with good experience. It is highly recommended for new clinical users to participate in both courses from 9 a.m.-7 p.m.

Operation course (9.00 a.m.-5.00 p.m.):

After a short technical introduction, the focus will be on image acquisition, evaluation of image quality and operation of the software to ensure high quality data.

Contents

- Understanding of software capabilities
- Imaging and image quality

Intended audience

Technicians and clinicians involved in SPECTRALIS image acquisition.

Interpretation course (2.00 p.m.-7.00 p.m.):

Clinical interpretation of SPECTRALIS images will be covered in-depth, including diagnosis and progression management. Advanced diagnostics e.g. enhanced depth imaging (EDI) and up-to-date findings in the interpretation of combined SLO Angiography and SD-OCT images is covered. Case studies will be presented and reviewed, with the opportunity for discussion.

Contents

- SPECTRALIS: Interpretation of combined SLO Angiography and SD-OCT images including Blue Laser Fundus Autofluorescence (FAF) and enhanced depth imaging (EDI)
- SPECTRALIS anterior segment imaging
- Case studies will be presented and reviewed, with the opportunity for discussion

Intended audience

Clinicians and research professionals involved in analysis and interpretation.

Dates/United Kingdom

June 08, 2012: SPECTRALIS operation course, 9 a.m.-5 p.m.

June 08, 2012: SPECTRALIS interpretation course, 2-7 p.m.

Dec 14, 2012: SPECTRALIS operation course, 9 a.m.-5 p.m.

Dec 14, 2012: SPECTRALIS interpretation course, 2-7 p.m.

Registration/Fees

Please contact Heidelberg Engineering UK.

(see contact form on page 13)

The HRT operation course is recommended to operators. The HRT interpretation course is for clinicians with good experience. It is highly recommended for new clinical users to participate in both courses from 9 a.m.-7 p.m.

Operation course (9.00 a.m.-5.00 p.m.):

After a short technical introduction, the focus will be on image acquisition, evaluation of image quality and operation of the software to ensure high quality data.

Contents

- Understanding of software capabilities
- Imaging and image quality

Intended audience

Technicians and clinicians involved in HRT image acquisition.

Interpretation course (2.00 p.m.-7.00 p.m.):

Clinical interpretation of results will be covered in-depth, including diagnosis and progression management. In the HRT Interpretation course this includes interpreting the stereometric parameters, RNFL measurements, and statistics (e.g. Moorfields Regression Analysis, Glaucoma Probability Score) as well as the progression analysis (topographic change analysis). Case studies will be presented and reviewed, with the opportunity for discussion.

Contents

- HRT: Interpretation of stereometric parameters, statistics and Topographic Change Analysis (TCA)
- Case studies will be presented and reviewed, with the opportunity for discussion

Intended audience

Clinicians and research professionals involved in analysis and interpretation.

Dates/United Kingdom

June 07, 2012: HRT operation course, 9 a.m.-5 p.m.

June 07, 2012: HRT interpretation course, 2-7 p.m.

Dec 13, 2012: HRT operation course, 9 a.m.-5 p.m.

Dec 13, 2012: HRT interpretation course, 2-7 p.m.

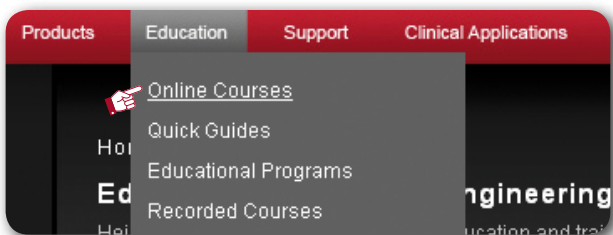

Registration/Fees

Please contact Heidelberg Engineering UK.
(see contact form on page 13)

Attend our **free online courses** to participate in our educational program without leaving your office. The courses are presented in a live web-based seminar format which allows clinicians and operators to participate in the discussion at the end of each course.

In addition, all clinician and operator courses are recorded and posted on our website where they are conveniently available anywhere, anytime. Use the recorded sessions to expand your knowledge, refresh your skills or share the content with colleagues.

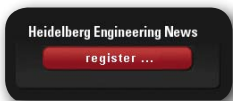

Registration is easy

- Go to **www.HeidelbergEngineering.com/International**
- Move mouse over the **Education tab** and select **Online Courses**.
- Click on the link of the Online Course title you would like to register.
- Please enter all required data and select **Registration** to sign up.
- After registration a confirmation will be sent to your e-mail address with a link to the course, registration identification number and password. If you do not receive a confirmation e-mail, be sure to check your junk/bulk e-mail folders.

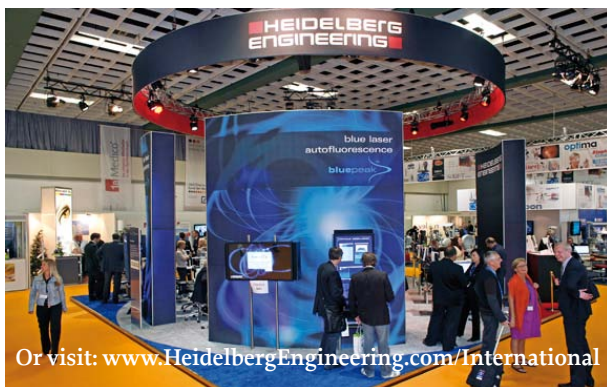

Tip

- Did you already register for our **Heidelberg Engineering information service**? You can register on our International website. Please enter all required data and you will receive event invitations and product news by e-mail regularly.

International Conferences & Exhibitions 2012*

- **Feb 2-5** All India Ophthalmological Society (AIOC), Cochin, India
- **Feb 16-20** **World Ophthalmology Congress (WOC), Abu Dhabi, United Arab Emirates**
- **Mar 22-25** Controversies in Ophthalmology (COPHY), Istanbul, Turkey
- **Apr 13-16** Asia-Pacific Academy of Ophthalmology (APAO) Congress, Busan, Korea
- **May 14-17** Royal College of Ophthalmologists Annual Conference, The ACC Liverpool, UK
- **May 25-27** BCLA Exhibition, ICC Birmingham, UK
- **June 11-15** Macula Society, Jerusalem, Israel
- **June 17-22** European Glaucoma Society (EGS), Copenhagen, Denmark
- **July 22-27** International Society for Eye Research (ISER) Berlin, Germany
- **Sep 6-9** **EURETINA, Milan, Italy**
- **Sep 8-12** **European Society of Cataract and Refractive Surgeons (ESCRS) Congress, Milan, Italy**
- **Sep 27-28** UKISCRS 36th Annual Meeting, The Dome, Brighton, UK
- **Oct 3-6** European Association for Vision and Eye Research (EVER), Crete, Greece
- **Oct 10-13** ECTRIMS, Lyon, France
- **Dec 7** 10th Russian Glaucoma Society, Moscow, Russia

USA Conferences & Exhibitions 2012*

- Jan 15-20 Hawaiian Eye, Maui, HI
- Feb 11-16 North American Neuro-Ophthalmology Society (NANOS), San Antonio, TX
- Feb 29-Mar 4 South Eastern Council of Optometrists (SECO), Atlanta, GA
- Mar 1-4 American Glaucoma Society Annual Meeting (AGS), New York, NY
- Mar 23-25 Vision Expo East (VEE), New York, NY
- Apr 20-24 American Society of Cataract and Refractive Surgery (ASCRS), Chicago, IL
- Apr 25-29 Vision Source, Orlando, FL
- May 5 International Society for Imaging in the Eye (ISIE), Ft. Lauderdale, FL
- May 6-10 Association for Research in Vision and Ophthalmology (ARVO), Ft. Lauderdale, FL
- June 27-July 1 American Optometric Association (AOA), Chicago, IL
- Aug 25-29 Annual Meeting of American Society of Retina Specialists (ASRS), Las Vegas, NV
- Sep 6-8 Vision Expo West (VEW), Las Vegas, NV
- Oct 4-7 Retina Society, Washington DC
- Oct 24-27 American Academy of Optometry (AAOpto), Phoenix, AZ
- Nov 10-13 American Academy of Ophthalmology (AAO), Chicago, IL
